For The Adult

All Things New booklets are a children's adaptation of

“The New Creation Man” message:

The creation, God's plan for man, the interruption of that plan by the enemy, the consequences of that interruption, God's plan of restoration for man, Why Jesus needed to come, and the original plan restored.

These eternally liberating truths have been put in a vivid story form to capture the imagination of young children, trusting the Lord to give them an experiential knowledge of the finished work of Jesus Christ on the cross of Calvary.

This gained, will remain with them for life, raising them as young disciples of Jesus who can proclaim the true gospel in their own generation as well. Young children must not be left behind in the coming revival. This will prepare them to have a solid foundation on which to base their lives and walk with the Lord now and also in the future.

In summary, they are children's booklets on

“Paradise Made”,

“Paradise Lost”, and

“Paradise Regained”.

It is encouraged that an adult disciple sits with the child or children to read and discuss the things in the booklets. The children should also be encouraged to do the simple exercises as this will help them to interact more with the truth that is being passed across.

Happy reading and may the Lord lay His hands on, and imprint His own image deep into the hearts of as many children as will read the booklets.

“Let the little children come to Me, and do not forbid them, for of such is the kingdom of heaven. And He laid His hands on them...” (Matthew 19:14-15)

Targets for Booklet 2

Adult disciples that will handle these teachings are expected to have themselves seen the cross and been baptised into Jesus' death. They will then need to travail much in prayer for Jesus to be formed in the children through this truth. Below are targets to be prayed into as we labour to minister the cross to the children by faith, trusting the Lord to again lay His hands on them as He did to children before, and still does to children who come to Him. Ours is to lead the children to Jesus at Calvary. He knows how to keep them even through the challenging years of their growth in a hostile world. Please do not rush to finish this booklet. It is better to dwell on each page, going by the children's attention span, until the truth is grasped by them.

1. To establish in the hearts of the children that God is their Friend
2. To encourage them to commune regularly with God, like Adam.
3. Give them a vivid presentation of heaven on earth like the garden of Eden. God wants their lives to be like that.
4. Help them commit to taking good care of their heart like Adam took care of the garden. No junk allowed, e.g. bad TV programs that encourage mischief, bad friends, ungodly music and games...
5. To bring these targets into all the work pages they do so as to interact with the same truth even while they are having fun drawing, colouring and answering the simple questions.

The Most Beautiful Garden

Genesis 2

Can you draw a beautiful garden? One like the garden of Eden? Eden was once the most beautiful garden in the whole world long ago.

Do you know why? Because it was planted by God. He grew all types of beautiful flowers and nice fruits in it. God was the very first gardener that ever was.

God's Garden– Eden

God planted the garden of Eden for the first man and woman who lived on the earth. Can you write their names below?

A — — — and E — — —

God loved them so much and He was their Friend. He even came down to the garden to play with them every day.

The man and the woman were good and happy. They were the friends of God.

Adam and Eve were the friends of God. Colour in

Spot 5 differences between these two gardens.

Everything was bright and beautiful in the world. There was no sickness, no hunger, no weeping, not even smacking!

Even the animals were happy, lions and tigers were cuddly pets for Adam and Eve. They did not scratch or bite because they were good.

Would you like to live in such a world where everyone is good? I sure would!

The garden was heaven on earth. Man was truly the glory of God's creation because he was made in God's image.

How many insects can you see in this garden?

Can you find and colour the names of some of the things that were found in the garden of Eden?

You are looking for: gold, food, trees, water, birds,
onyx, man, woman, air, help, field, good.

Draw Adam and his wife Eve playing with some animals by the river in the garden. What is your favourite animal? Colour everything in.

God's Blessings For Adam

“Be good, and take care of this garden”.

God told Adam. He also said:

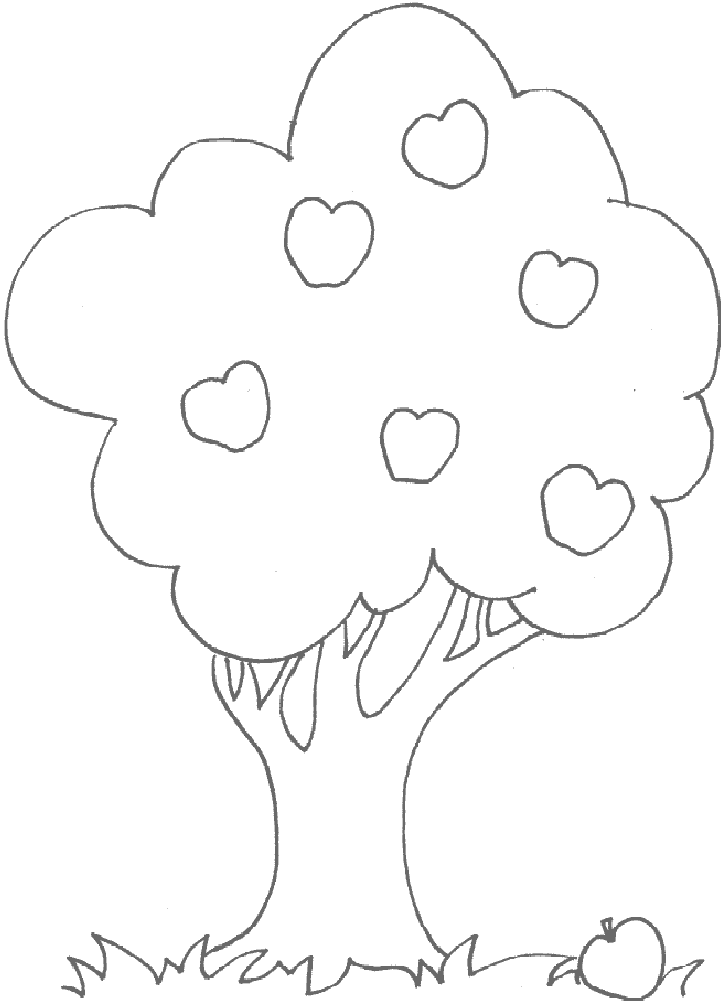

“Give names to all the animals and rule over everything that I have created”.

“Be fruitful and multiply...” God also told Adam and his wife. This means they should have children who will also carry the light life of God.

Do you know why God wants them to have lots of children who will carry God's light all over the earth?

Yes. It is so that darkness could have no chance on earth again!

Put **four** more fruits on this tree, then colour in

God's Instruction To Adam

“You may eat any fruit that you like here. But there is only one fruit that I do not want you to eat. If you eat it, you will surely die”. God said to Adam.

If they disobeyed God's instructions, He would not be their Friend anymore, but their enemy.

Adam and Eve were happy to obey God and everything went on well, UNTIL...

Oh dear!! Adam!!!....

The Adam And Eve Song

(sing to the tune of the Farmer in the Dell)

God made the universe	God placed them in Eden
God made the universe	God placed them in Eden
He saw that it was good, Amen	He said all this is yours for food
God made the universe	God placed them in Eden

Then God created man	But do not touch that tree
Then God created man	But do not touch that tree
He made Adam in His likeness	Just do not eat that fruit you see
Yes God created man	Oh, do not touch that tree

God made the woman too
God made the woman too
He took a rib from Adam's side
God made the woman too

Memory verse:

“Be fruitful and multiply. Fill the earth
and subdue it...”

(Genesis 1:28)

The New Life story continues in booklet 3. There you will find out more about what happened to Adam and his wife Eve in the garden of Eden.

Did they obey God's instruction? Did they remain God's friends? What about the animals in the garden, How come some of them became so wild?
